DEPARTMENT OF WOMEN AND CHILD DEVELOPMENT

2nd Floor, Maharana Pratap, ISBT Building, Kashmere Gate, New Delhi - 06

F.No.34(04)/Coord/DWCD/2024-25/ 6631-39-

Dated:
02 JUL 2025

ADVISORY

All concerned are hereby advised that the temperature setting of Air Conditioners (ACs) installed in all departmental establishments including Juvenile Justice Boards (JJBs), Child Welfare Committees (CWCs), District Offices, Child Care Institutions (CCIs), and Headquarter of WCD should be maintained at or above 24 degrees Celsius. This advisory is being issued keeping in view environmental sustainability, health, and energy conservation.

Maintaining AC temperatures at or above 24°C contributes significantly towards reducing electricity consumption, thereby lowering the carbon footprint and supporting the broader goal of environmental protection. It is also a more health-conscious and cost-effective practice. Excessive cooling can lead to discomfort, particularly for children, women, and the elderly who are more vulnerable to sudden temperature changes. Furthermore, adhering to this temperature range ensures optimal comfort while promoting responsible and efficient use of energy resources.

All concerned Officers are hereby directed to ensure strict compliance of the advisory.
