ORDER

In recent brainstorming sessions held amongst the senior officers of the Department, it has been observed that despite the up-gradation of Anganwadi Services and efforts of the Department in providing improved services to the beneficiaries, the number of children enrolled in the Anganwadi centers has not increased proportionally.

To understand the underlying challenges and reasons of slow increase in enrolment of children in Anganwadis, it was unanimously proposed in the session that a digital survey of children between age 1 to 6 shall be conducted in the districts, by Supervisors. For this purpose, the link to the Google Form shall be circulated online via WhatsApp/Email.

Accordingly, all Supervisors are directed to conduct the digital survey of children between age 1 to 6 in their respective areas using the link to the Google form within one month of the issue of this order. A short tutorial to provide

P.T.O

guidance for filling the Google Form shall be shared with the Supervisors. Further, the CDPOs shall also follow up with the Supervisors every week to ensure timely completion of survey.

This issues with the prior approval of the Competent Authority.
